# Here's A Saturday Message of Preparedness For Every Woman

## The "S. O. S." Call to Mother

A great ocean liner in distress sends out, via wireless an S. O. S. call and all vessels receiving it, immediately, without quibble, argument, or delay, respond, going at full speed toward the disabled ship to render all possible assistance.

This is just the position our mothers have occupied in our lives. Whenever we send out the S. O. S. call, she comes.

—It may have come from the play ground.

—It may have come from the work shop.

—It may have come at the midnight hour, but, whenever, and at any time, mother has always responded to our S. O. S. calls, to soothe and smoothe out the troubles with her great love and sympathy.

Let us then obey the divine command and

### HONOR OUR MOTHERS

Dead or alive, by being true to every S. O. S. call from humanity; true to friends; true to church; true to state; true to Christian citizenship.

## In Store Tonight Down Stairs

### Women's Spring Suits Nothing Short of Wonderful At \$10.50

The woman who has had her fingers scorched is inclined to fight shy of suits priced as low as these. Small blame to her in one sense, let her make up her mind once and for all that these are suits of first class, such as \$10.50, were taken from our \$14.50, \$21.50 and \$25.00 lines and brought down stairs for a little fashion sale tonight.

The woman who puts \$10.50 into any one of them, will get as good a return for her money as the same amount ever brought her, no matter what she may have invested it in. There are all sizes up to 40, and plentiful choice of materials.

## In the "Sale 10c" of Pictures Tonight

### Only Five To a Customer

There is so much interest taken in these pictures displayed in one of our windows.

We bought 200 only, and in order that a great number may not be disappointed when they come, we have limited five to a customer. Regret that we did not buy a thousand.

William Fishchers Jr.'s nature sketches are famed far and wide. About thirty of them in water color prints have been mounted

on a sepia colored mat board size 10x14 inches, thus making a very attractive little picture to hang in one's library or bedroom.

As all people love nature and man's talent of reproducing it with a brush and the yankee ingenuity of getting them priced down will be the result for the many taking a ride up to the third floor tonight in the quest of one or five of these sheet pictures.

## Don't Scold the Boy--Because He Has Soiled--

### OF INTEREST TO WOMEN

**Easy Ways to Clean Silver.**

A simple way to clean discolored silver is to put a quarter of a pound of sal soda into a gallon of water. Place this on the stove and let it come to a boil. When at boiling heat dip in the pieces of silver, one by one, taking each one out quickly. Wash in soap-suds and dry with a soft, clean cloth. This method takes about one-quarter of the time consumed by polishing.

Silver spoons or forks may be kept brightest if they are left for several hours in strong borax water. Silver that is frequently washed with ammonia water will need cleaning less often.

Silver teapots, being seldom in constant use, are very likely to become moldy. They can, however, be kept in perfectly good condition if, after washing and drying them thoroughly, a

lump of sugar is placed inside. The sugar absorbs the dampness and keeps the teapot sweet and fresh.

Silverware should always be kept by itself, and wrapped in tissue paper, each piece separately.

Silver dress trimmings may be cleaned by covering with magnesia and leaving for two hours.

## NO YOUNG MAN CAN BEAT THIS USER'S DAY'S WORK

And A. T. Keener's New Health  
and Strength Came Straight  
from Nerv-Worth.

This resident of No. 310 Buckhannon street gives the very best of reasons for the Nerv-Worth faith that is in him. This is what he signs his name to:

Burke's Drug Store:—

You have a great medicine. It has done wonders for me.

My condition was bad. I was completely broken down. I could not sleep at all or eat. Was tired all the time and felt miserable.

I have taken different kinds of medicine, but none of them have done me any good to speak of.

I weighed 165 to 170 pounds, but I have taken two bottles of Nerv-Worth and I weigh 190 pounds now and I never felt any better in my life. Never get tired and can do as good a day's work as a young man.

A. T. KEENER.
